

To download the call for artists as a PDF file and to view appendices and additional information, visit <https://www.brushcreekculturaltrail.com/>.

The typical conceptual design of the plazas where art will be located will include pavement adjacent to the existing trail system. Locations will include interpretive sign and public art. The following is the conceptual layout of the plaza space.

The Brush Creek Cultural Heritage Trail will be an extension of the *Spirit of Freedom* Fountain by Richard Hunt that was dedicated in 1981.

Spirit of Freedom Fountain by Richard Hunt
