**Fire Station 7 – 2629 North County Road 27
Opened April 2020**

Fire Station 7

Station 7's landscaping includes an educational walking tour of fire hardening and mitigation efforts that can be incorporated into homes built in the wildland urban interface areas.

Original Station 7 Siren Recovered from Flood Debris

**Positioned in the landscaping on the north side of the drive
within the educational walking tour**

Possible Art Concepts For Station 7

Incorporate the siren into the art

- Tell the story of the siren
- Impact of the 2013 Flood on the community
- LFRA's response to the flood disaster
- Community strength and resiliency following the flood

**Fire Station 10 – 4301 Ronald Reagan Blvd.
Opened October 2022**

Fire Station 10

Possible Art Concepts For Station 10

Silhouetted firefighters visible from interior and exterior through the large window around the hose cart

- Period (1883-1910) correct uniforms and equipment
- Period correct and a modern equipped firefighter
- Series of firefighters from different eras
