

## 2<sup>nd</sup> Street Pavement Art Corridor

The 2<sup>nd</sup> Street Pavement Art Corridor is intended to increase safety for all roadway users, especially pedestrians, and create a public art intervention to energize our streets and celebrate our community.

The proposed project area includes six intersections along 2<sup>nd</sup> Street. Final designs will be installed with a preformed thermoplastic-type material. The curb bulb-outs will be separated from roadways by K-71 bollards.

2<sup>nd</sup> Street – Main Street (Pedestrian Scramble)

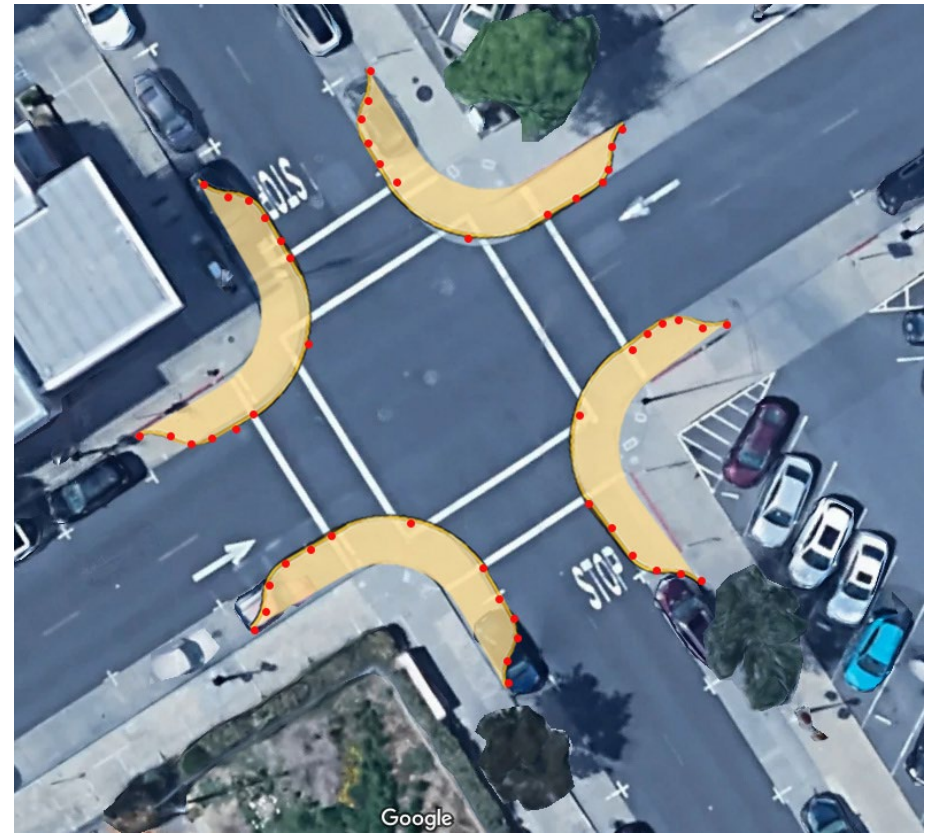

2<sup>nd</sup> Street – Brown Street

2<sup>nd</sup> Street – Coombs Street

2<sup>nd</sup> Street – Randolph Street

2<sup>nd</sup> Street – Franklin Street

2<sup>nd</sup> Street – School Street
