

Location Details

- Under LaBelle's Drawbridge (next to Barron Park, South side), Desoto Ave. LaBelle, FL 33935
- Bridge support wall with sloped and vertical sections
- Four supporting columns, in front of the middle section, can be incorporated into the design
- Photos and measurements below in feet

This is a site plan and cross section view of the location. Seen here is also the relationship to the edge of the traveled way and the roadway under the bridge.

Site prep work will be completed prior to start date.

Final mural placement is subject to approval by all applicable property owners and governing agencies. In the event that permission for the selected primary location is not granted or is later revoked, the LaBelle Downtown Revitalization Corporation reserves the right to relocate the mural to a suitable secondary site within the downtown district without further modification to the selection or award process.
