Designed to preserve the integrity of materials and support law enforcement operations, this facility will be built to adapt and expand over the next 20+ years.

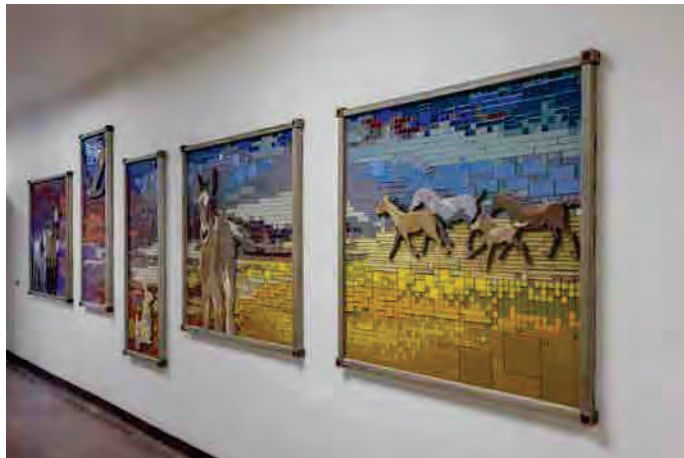

It will house the State Bureau of Investigations evidence management department and include space for the preparation and booking of evidence, intake and processing, short and long-term evidence storage, administrative space for evidence management staff, and a small public lobby for property return.

The Art Selection Committee is seeking to commission **multiple artworks** associated with the development of the Department of Public Safety Evidence Warehouse.

This Request-for-Qualifications is for **interior** artwork, with installation opportunities being available throughout several areas. Artworks are being solicited for both public and employee-only areas. **A building layout is available on page 6 of this document.**

- Artworks must be suitable for a wall installation (standalone sculpture or ceiling-suspended artworks are **not** suitable for this location)
- Formats may include but are not limited to paintings, murals, textiles, mixed media, photography, and installation work

The Art Selection Committee is interested in artworks that explore the beauty of Utah, focusing on the natural resources that make Utah such a remarkable place to live and work. Evidence Warehouse employees value the service they provide to the Utah public and their work is often isolating and under-appreciated. Artwork for this building will bring an atmosphere of color, texture, and vibrant life that will improve the working conditions for staff and visitors.

The artwork's subject matter and content must be appropriate for public exhibition and not contain advertising, religious references, sexual or violent content, or convey political partisanship.

BUDGET

\$91,000 is available for the project. This project budget is for **all related expenses** of this Public Art commission, including (but not limited to) artist fees, fabrication, support structures, insurance, shipping, travel, lighting, installation, documentation, etc.

ELIGIBILITY

Professional artists and artist teams **residing in Utah** are eligible for this commission. Artists living in **Salt Lake County** will receive additional weight in the review process. Applicants must have a U.S. Tax ID Number (SSN, EIN, ITIN, or other). Art Selection Committee members and staff of Utah Arts & Museums or GSBS Architects are not eligible to apply for this commission. All Art Selection Committee members will declare any conflict of interest and recuse themselves from the vote when reviewing artist applications.
