

Jaycee Park Water Tank

MURAL

PROJECT OVERVIEW

- FPRA and FPUA are partnering to install a public art mural on the Jaycee Park water tank
- Part of the FY 2026 Jaycee Park Improvements Project
- Located along the Indian River Lagoon and A1A at a highly visible public site
- Enhances an existing infrastructure asset through placemaking

VISION

- Transform the water tank into a landmark public art feature
- Create a visually engaging gateway along the waterfront
- Celebrate Fort Pierce's culture, environment, and identity
- Activate Jaycee Park as a destination

PARTNERSHIP OVERVIEW

FPRA:

- Funding the mural (up to \$60,000)
- Managing artist selection and project coordination

FPUA:

- Surface preparation (pressure washing, priming, repairs)
- Artist selection, site access and coordination
- Ongoing maintenance (5-year minimum)
