

# UCF CAMPUS MURAL PROJECT

---

## ABOUT THE LOCATION

### CFE ARENA

The CFE Arena is located near UCF's Athletic Village and is home to UCF Basketball and commencement, among many other major student events, as well as outside concerts and events.

## ABOUT THE SITE AND MATERIALS

### THE WALL

The wall we have dedicated is to the left of the main entrance to CFE Arena, next to the Veterans Academic Resource Center. The street it is located on, East Plaza Drive, is part of the main procession fans walk from Memory Mall to home football games at Spectrum Stadium, and the mural is meant to incite spirit for fans during all UCF Athletic events. The wall itself is approximately 24' x 24' (576 sq ft). The mural will not be painted directly onto the wall, but will instead be painted on a flat surface that will be installed by UCF facilities. Artists have the option to paint on site or paint the boards in a studio and bring in for installation. Artists are responsible for providing paint and sealer (Sherwin-Williams anti-graffiti coating). Please include the cost for these items in your proposed budget. UCF will provide all hardware to install mural and provide access to a lift.

## ABOUT THE THEME

### KNIGHTS

UCF's mascot is the Knight, and for this location we'd like to have the image of a knight in armor bursting through the wall.
