

Locust Grove Solo Shows - 2019

with

Barrett Art Center

The transverse gallery at Locust Grove is a T-shaped gallery space linking high traffic, public areas in the visitors center, frequented by museum visitors as well as guests at the many special events held in the Center.

Top and left: The longer portion of the T-shaped Transverse Gallery, facing toward the top of the "T".

Right: View across the "top" of the T-shaped Transverse Gallery.
