

Locations

Proposals can include designs for 1-3 of the outlined locations with consideration to the budget.

Overview

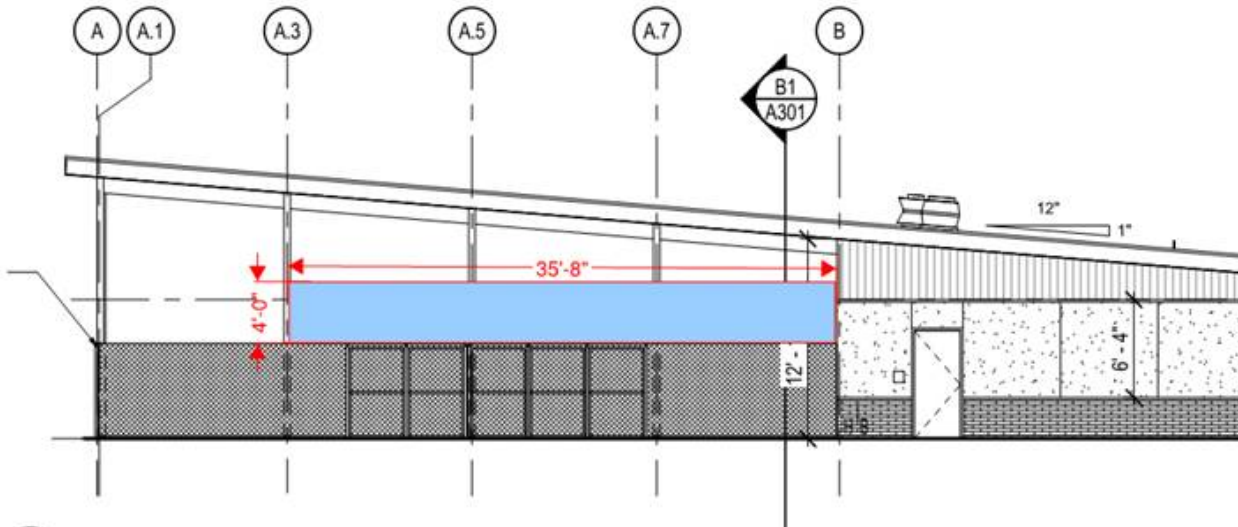

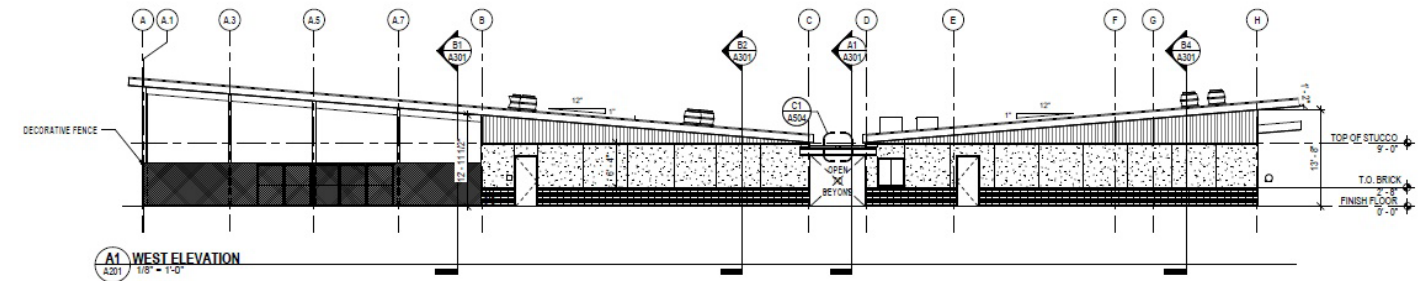

Locations

Proposals can include designs for 1-3 of the outlined locations with consideration to the budget.

1. Aquatics Building Exterior Façade

*Artwork to be placed above the 12' metal fence. Provide a visual block to the pool equipment behind the fence. Ventilation is necessary so artwork may not entirely fill gap.

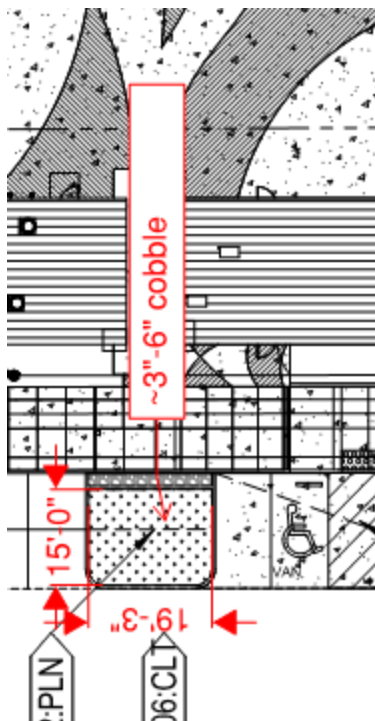

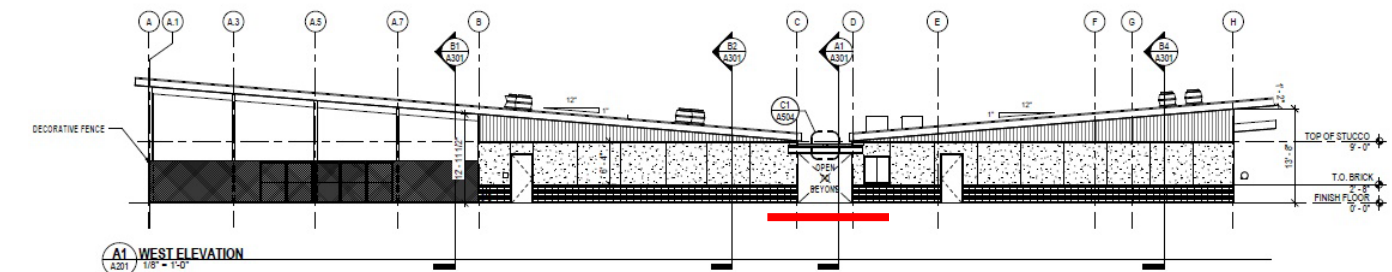

Locations

Proposals can include designs for 1-3 of the outlined locations with consideration to the budget.

2. Aquatics Building Entry Landscaping

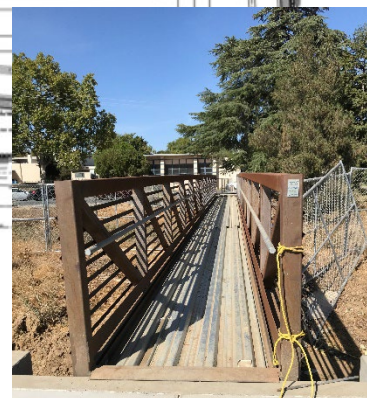

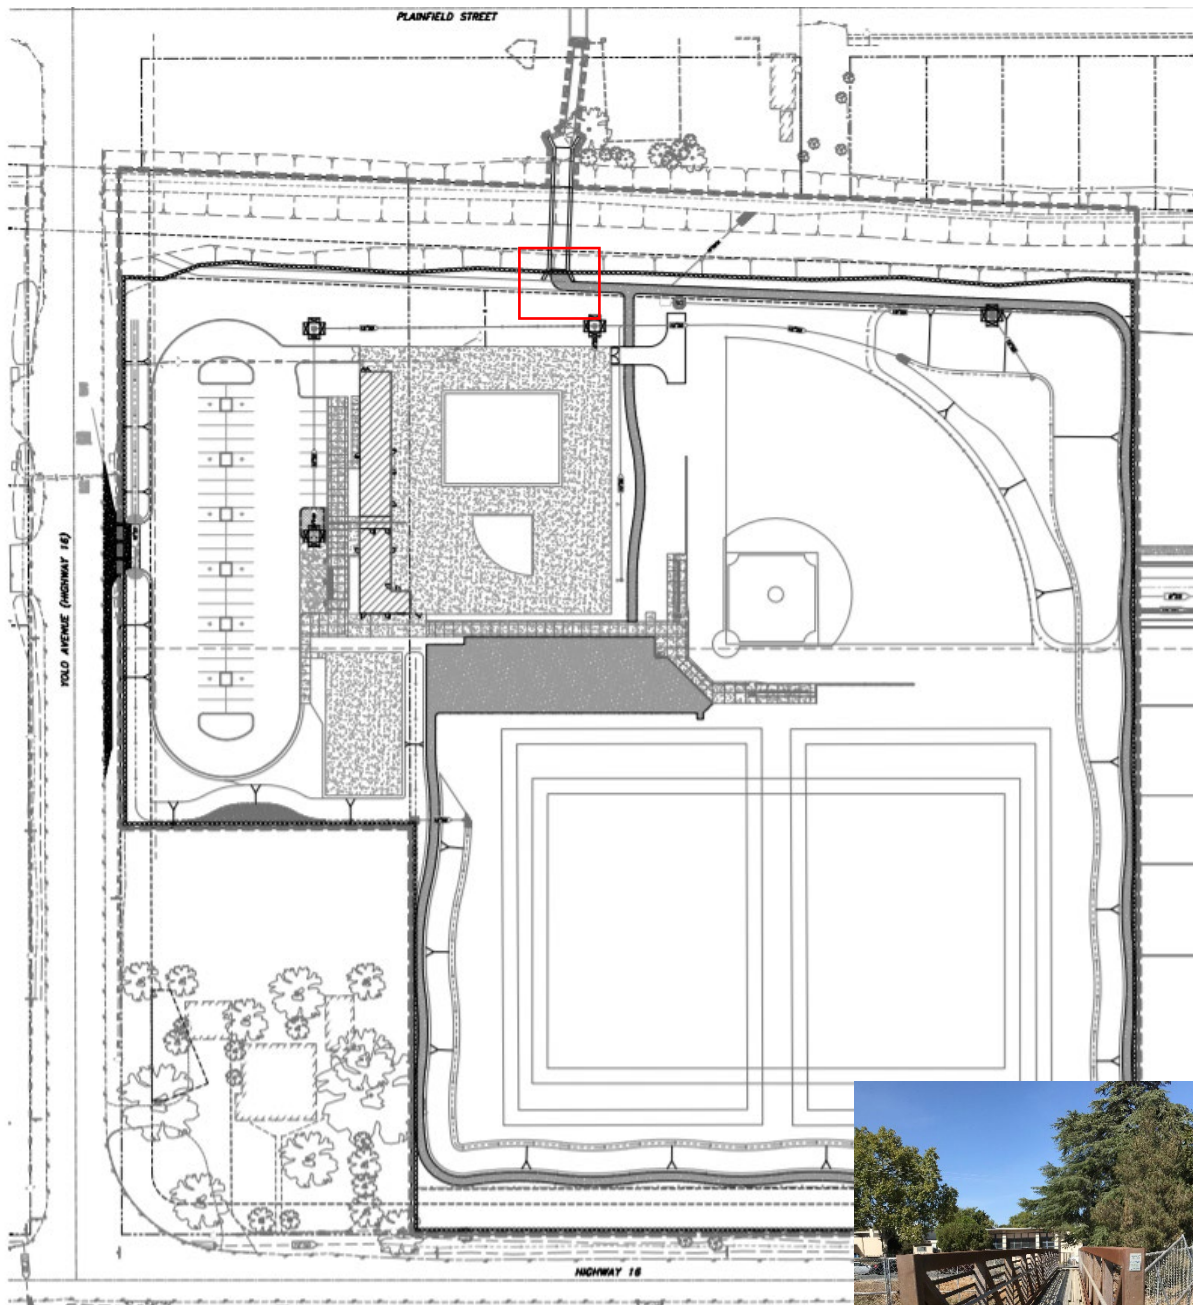

Locations

Proposals can include designs for 1-3 of the outlined locations with consideration to the budget.

3. North Pedestrian Entrance

**Artwork to be integrated into the landscaping surrounding the bridge entrance*
