

The Orlando Experience

The Orlando International Airport (OIA) is a premier destination airport, serving the residents of the greater Orlando area and millions of leisure and business travelers each year. The airport's unique design features create an iconic and memorable sense of place for all visitors to the airport, which has become known as *The Orlando Experience*®. The essence of this experience is a resort-style, relaxed environment created using water, sky, sunlight and garden elements. *The Orlando Experience*® gives a visitor the sense that their long awaited vacation has started as soon as they land at the airport. The experience extends to Orlando residents, tourists and business travelers alike.
