HNC Site Amenities Plan

HNC Fencing Plan (Exterior View)

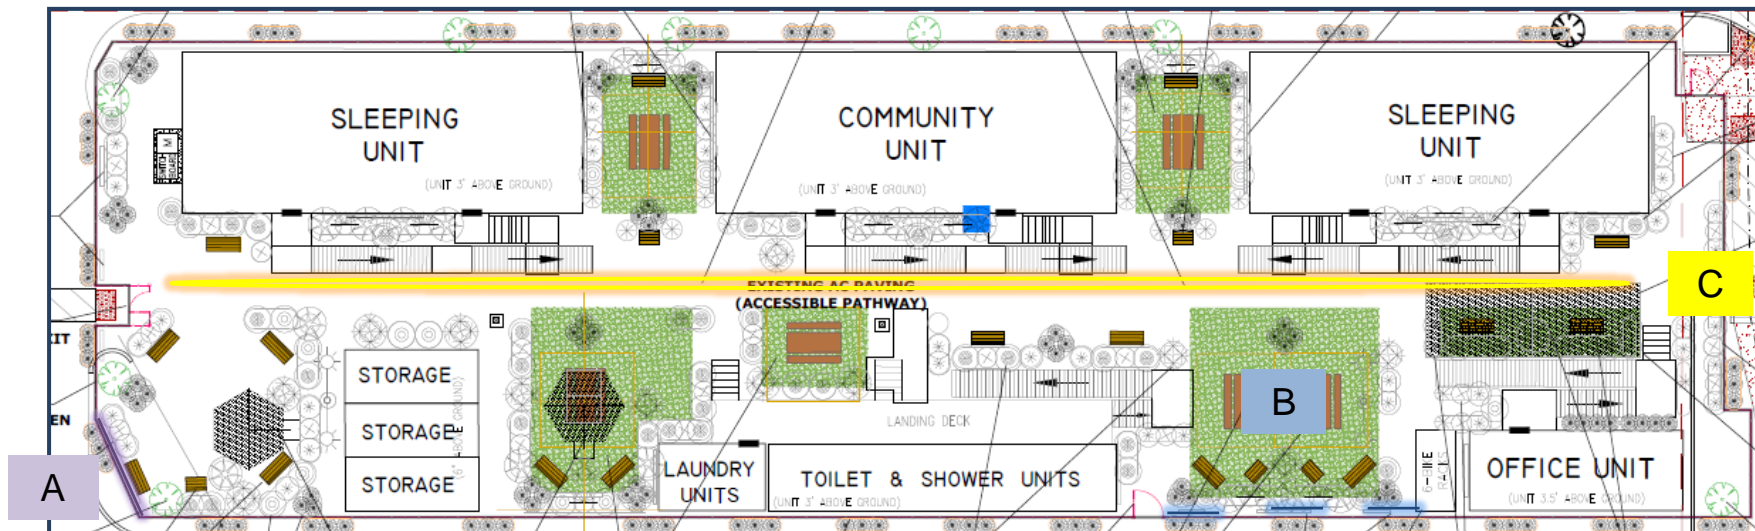

WESTERN FENCE ELEVATION

8-foot fence

- 5-foot wood planks with 3 foot lattice

Preferred Mural Locations

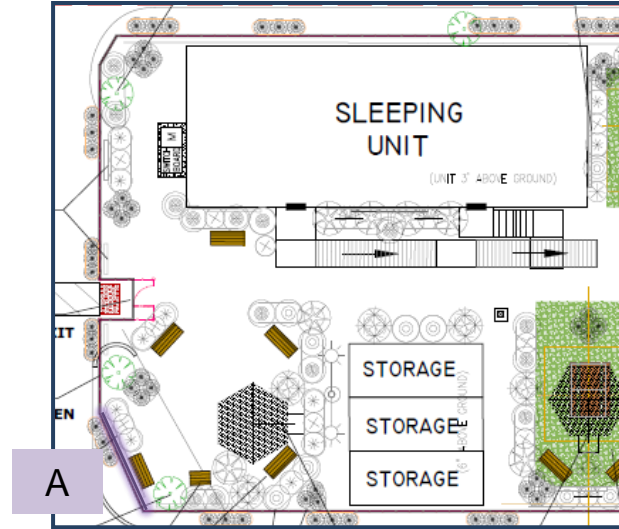

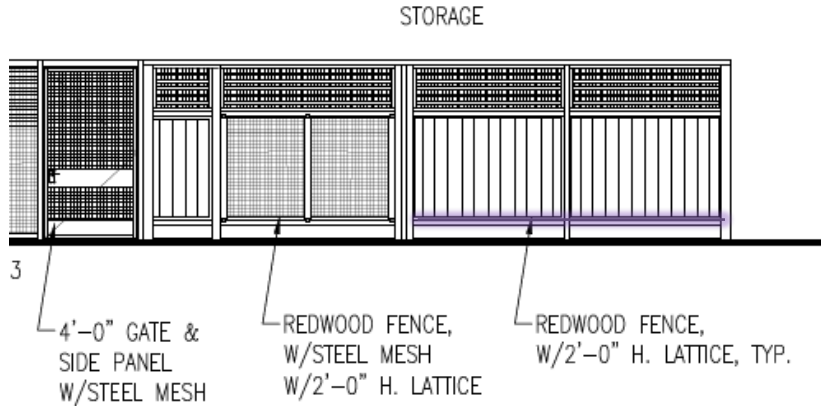

Preferred Mural Locations

All measurements are approximate

Site	Width	Height
A	15 ft.	5 ft.
B (each panel)	~ 8 ft.	5 ft.

Site	Width	Length
C	5 ft.	293 ft.

Preferred Mural Location A

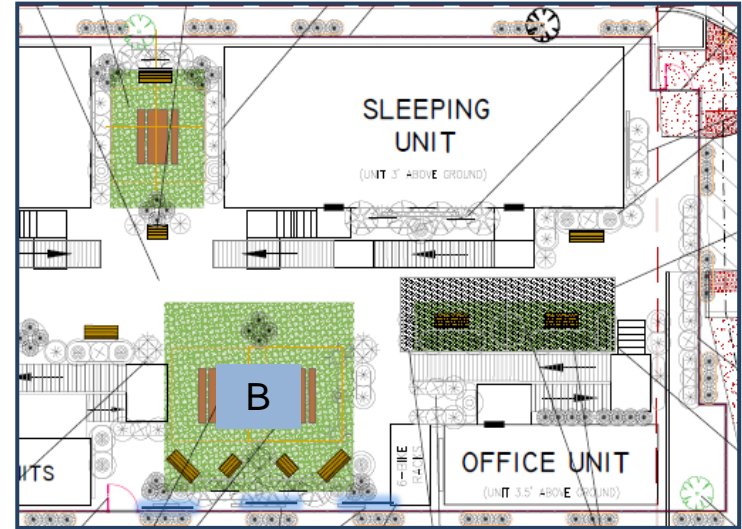

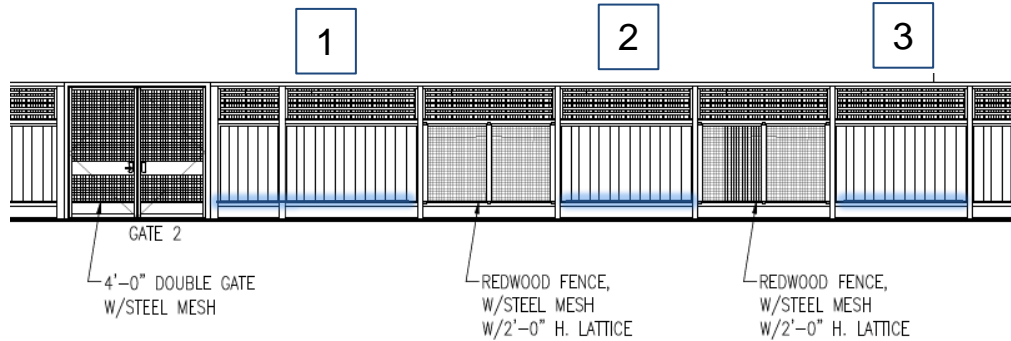

Preferred Mural Locations - A

Two panels at the southern corner of the site adjacent to a large outdoor gathering space. The closest units include a sleeping unit and the storage pods.

Site	Width	Height
A	15 ft.	5 ft.

Preferred Mural Location B

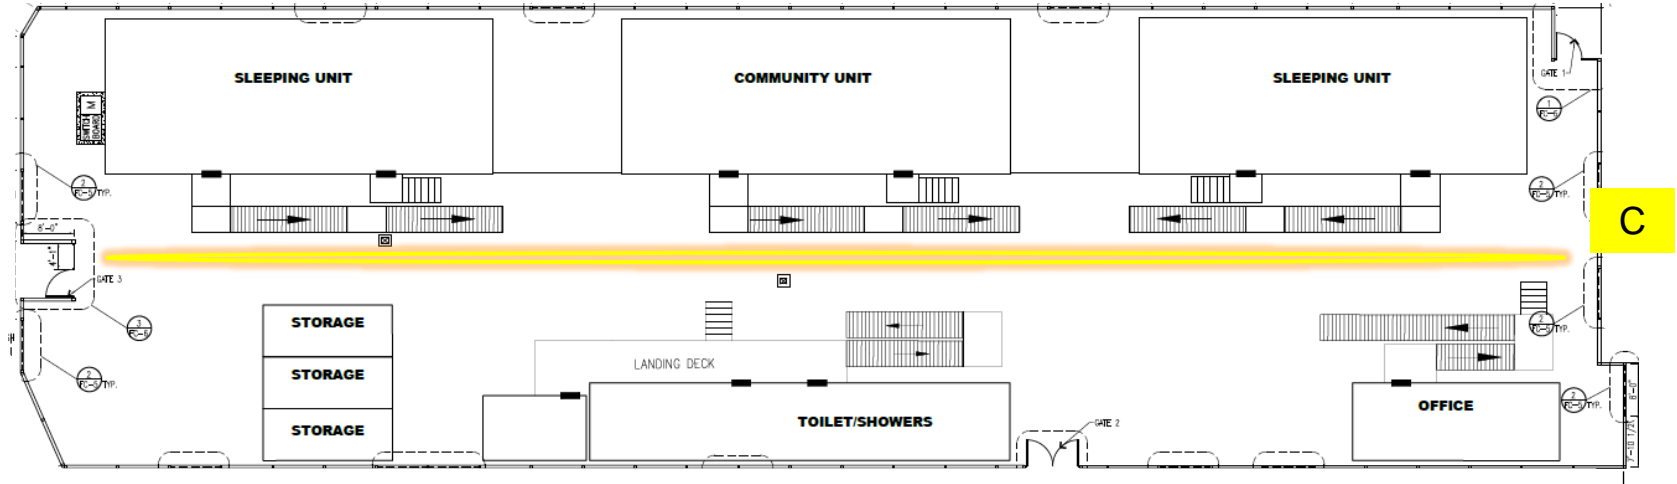

Panel	Width	Height
Panel 1	12 ft.	5 ft.
Panel 2	8 ft.	5 ft.
Panel 3	~ 7 ft.	5 ft.

Preferred Mural Locations - B

A set of three panels. Each panel is 5 ft. tall with varying width. Panel 3 is 8 ft. long, but will be partially blocked by the Office Unit. Location is in an outdoor gathering space, near the entrance between the office unit and hygiene unit. Artist should utilize all three panels.

Preferred Mural Location C

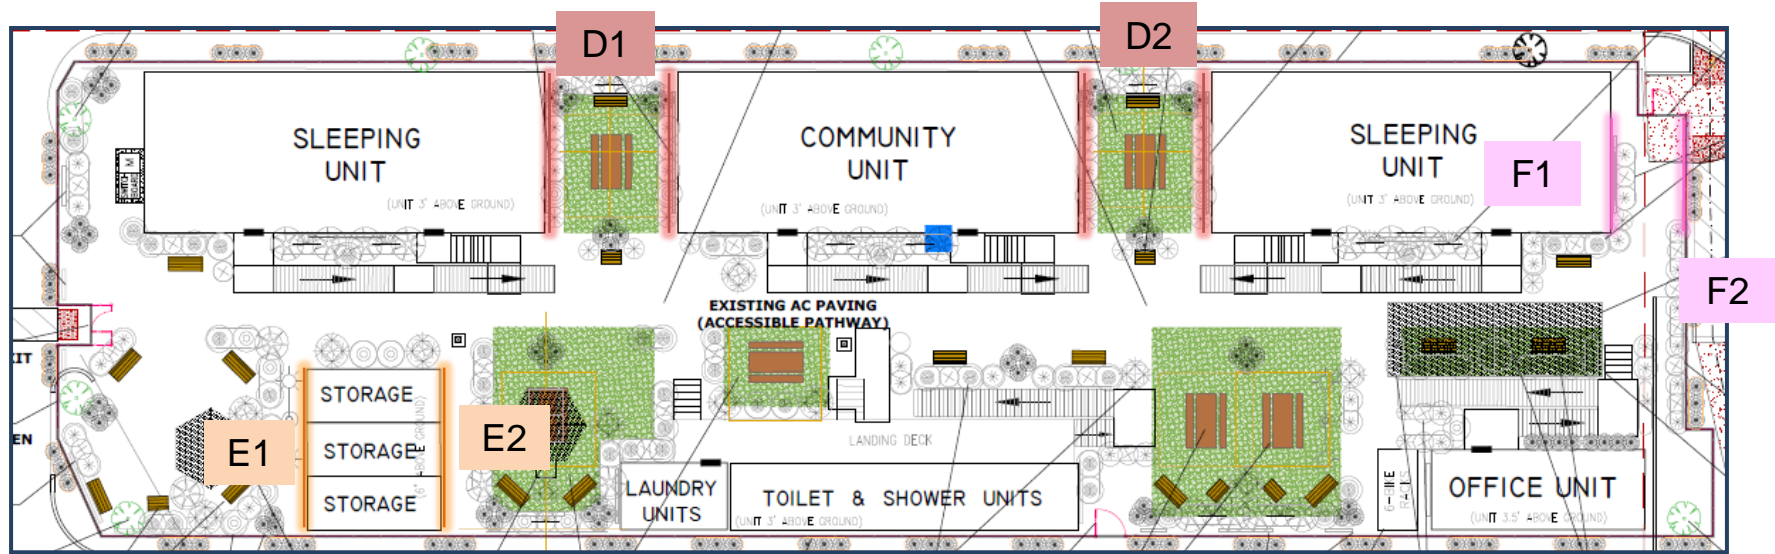

Preferred Mural Locations - C

This location would be on the asphalt of the site and used as an indication for the path of travel throughout the site. It should utilize most of the length of the site (approximately 293 ft.) and can be as wide as 5 ft.

Site	Width	Length
C	5 ft.	293 ft.

Additional Art Opportunities Available

Site	Width	Height
D1 & D2	24 ft.	14.5 ft.
E1 & E2	24 ft.	8.5 ft.

Site	Width	Height
F1	24 ft.	14 ft.
F2	16 ft.	5 ft.

These sites are less preferred, but are optional if the artist would like to submit concepts.
