Giving a **Voice and Venue** to Local Artists

The Cultural Council for Palm Beach County is a nonprofit local arts agency with a mission to champion, engage and grow the arts of Palm Beach County.

We are the only organization solely dedicated to supporting the arts here in Palm Beach County. Our building serves as a gallery for local visual artists to exhibit their work, as a venue for local performing artists and as a resource for the arts and cultural community.

Visit palmbeachculture.com/artists to learn more on how we are growing the arts.

Proceeds from artwork sales directly benefit local professional artists and support the Council's mission to grow arts and culture in Palm Beach County.
