

WEST GATEWAY LOCATION

EAST GATEWAY LOCATION

Image: Orange block indicates INVEST South/West Priority commercial corridor, from Austin to Cicero

The community identifiers will be designed alongside CDOT's design consultants to AASHTO standards, the Chicago Building Code, and in accordance with direction provided by the CDOT Structural department. The Western Gateway shall be located near 5946 W Chicago Avenue as shown in the attached exhibit and must span the roadway. The Eastern Gateway shall be located near Cicero at approximately 4820 W Chicago Ave and should be visually and conceptually linked to its Western counterpart. The Eastern Gateway may not span the roadway.
